Our Welcome Back Mason event will be from 7:00pm-9:00pm in the Corner Pocket located in the Hub. We will be signing students in using their GMU ID Card by utilizing the Mason360 event sign-in. Students will have the opportunity to play games in the Corner Pocket, enjoy snacks and drink, and listen and dance to a DJ! Our organization – Mason 360 – oversees welcoming students to campus! Our proposed event fits perfectly with our mission because we are wanting students to feel welcomed on campus. Our target audience is all students – no matter if they are a freshman or in their graduate program.

Students who attend our Welcome Back Mason event will benefit by creating and revitalizing community connections amongst students and campus leaders. Our goal is for students to meet new people in a safe space for social engagement on campus! We are hoping students walk away knowing that we, as an RSO, strive to create a venue where students can relax, socialize, and create new college memories! Students will also enjoy a new cool spot-on campus, the Corner Pocket, and in-turn, might encourage other students to enjoy attending future events.
